Sub - Expert group meeting recommendation for KYAH App for COVID patients.

Dear Deepak Agrawal,

Thank you for chairing the WHO EGC and for the excellent deliberations and recommendations.

1. WHOCET would be happy to endorse, support and collaborate with the covid app named 'KYAH'
2. WHOCET would be willing to analyze data, and under your leadership offer recommendations for continuous improvement in the app as well as patient recommendations/guidelines for inclusion in the app.
3. WHOCET gives permission for the use of its logo, name and affiliation in the app and for hosting the app on google store and for apple app store.
4. WHOCET would also make all attempts to disseminate the use of this app within its member organizations as well as to the patients and the community at large.

We again thank you for your valuable time as EGM and hope to use your services in future.
